

Setup specifications

PLACEHOLDER DOCUMENT - NOT FOR INSTALLATION

This is a temporary setup sheet for WEEV Carousel.

Final requirements will be confirmed for your selected configuration.

Before planning installation, share:

- 01 Your space, screen dimensions and available hardware.
- 02 Your audience and preferred visitor interaction.
- 03 Your content, brand assets and languages.
- 04 Your deployment duration and target go-live date.

Our software. Your hardware.

No minimum hardware requirements are defined in this placeholder.

Confirm compatible hardware and the installation plan with WEEV.
